BISHOP'S Vegetable Fever and Ague Pills

Certificates.

An Invaluable Antidote for Malaria, These Pills are designed especially for the cure of Fever and Ague, Dumb Chills and Billions Diseases, originating from malarial influences. They have been used with the greatest success in many instances where all other remedies had failed. They contain no poisons; are perfectly harmless and safe to take under all circumstances, and can be relied upon as an invaluable remedy.

From the Hon. Jno. F. House, of Tennessee. I was troubled for about six months with periodical returns of chills and fever, following an attack of malarial fever in September last, I was finally induced by a friend to 179 Bishop's Ague Antidote, and I have had no return of chills since I used her pills; I regard them as a certain cure.

To L. C. Hishop, Druggist, Washington, D. C. From Neill S. Brown Esq., of Tennessee.

Ms. L. C. Bishop, Dear Sir: I take great pleasure in recommending to the public the Ague Pilis" sold by you. I used them in my family, and fliey gave relief and effected sermanent cure of chills, where all other remedies had falled. They certainly act like a charm, and anyone using them will find a sure specific. Reading Clerk House of Representatives.

These pills are not for sale at the drug stores, and can be obtained only of the proprietor. Price, ONE DOLLAR per box, or six boxes for five dollars. Sent free by mail on receipt of price, to
